

Reminder

HANDS, FACE, SPACE

HANDS

Hand sanitize at regular intervals, especially if you have to touch communal surfaces or equipment. Once you are home, remember to wash your hands thoroughly.

FACE

Face masks There is no current requirement from the Government for face masks to be worn whilst participating in sport and physical activity outdoors.

SPACE

Social distancing Social s a distance of 2m between people from different households, or 1m plus mitigations (such as face coverings or avoiding face-to-face contact) where 2m is not possible. We recommend that players maintain social distancing of 2m

Use of equipment

SPRAY CHALK ONLY... Only spray chalk should be used, for with school chalk there is a need to steady another person's bowl with one hand to apply the mark. The owner then subsequently handles the bowl to remove the mark and given the very short time frame involved between two persons touching the same object the possible risk of virus transfer is considered great.

Reminder

Equipment Try to avoid using shared equipment whenever possible. If you are sharing equipment, for example jacks/mats, practice strict hand hygiene. Should measuring be necessary, players (or marker if used) must use their own measure. Currently only the following items may be utilised • Mat, Pushers, • Bowls, • Jack, Scorecards (these should be retained by one person only if required) •

New

LOCKERS Lockers are NOT to be used

New

SPECTATORS/VISITORS Spectators and all non players are now required to “log in” on a sheet provided in the conservatory no matter how short the duration of the visit. For Government have stated that arrangements should be put in place to support test and trace efforts by collecting information from spectators which is detailed enough to allow NHS Test and Trace to contact them if necessary.

New

MAT SANATISING Please use the wipes provided and not the sanitizer spray when wiping down mats for continued dousing of the mats with spray is leaving residue marks on the green. If mats do become sticky then please rinse with cold fresh water available between Sherborne and Conservatory

Reminder

. Please take your rubbish (including used wipes) home with you or place in green receptacle by the gate, we have no regular bin emptying routine and more and more waste is being blown/ found around the perimeter of the green.

Reminder

Of our indoor facilities, at present, only the toilets and Conservatory (for collection and return of hygiene boxes) are to be used. Personal items should not be left nor changing undertaken in any of our indoor areas.

Please help us, to help you enjoy a game of bowls in as safe a Covid secure environment as we can possibly provide.

Many thanks

Rob White

Acting Secretary
